For Financial Professional Use Only. Annuities are products of the insurance industry and are not (a) insured by the FDIC or any federal government agency, (b) deposits of or guaranteed by any bank or credit union, or (c) a provision or condition of any bank or credit union activity. Annuities contain features, fees, risks, exclusions and limitations that vary by state, and some annuities are subject to investment risk and may lose value. For a full explanation of an annuity, please refer to the Disclosure Statement or Prospectus (as applicable) produced by issuing insurance company. The information contained herein is not intended as, nor should it be construed as, legal, tax, or investment advice. Before deciding on an annuity, considerations should include income needs, risk tolerance and investment objectives. None of the information contained herein constitutes an offer by Luma Financial Technologies, LLC or its subsidiaries to sell any investment products in any jurisdiction.
